

## Print and Design Services

Definitely one of the major concerns of the exhibitors, especially the foreign companies, is Production, design and printing of various promotional items with the standards of the organizing country. Thus paying attention to the points that is directly related to the culture and language of the country in which the exhibition is held would be more effective and beneficial for the exhibitors. "Aryano Tarh" enjoying a very high-powered team in the fields of Ideation, design and printing is ready to give its services to the exhibitors as the advertising consultant of the Tejarat Farasoo Holding (organizer of the MeatEx) .
